

How to use the Magic mapping system

Go to – www.magic.gov.uk

Click **Get Started**

Check the box to agree to the terms and conditions and click **OK**.

From the Table of contents select Administration Geographies, then click the plus next to Other Administrative boundaries to maximise the list.

Check the Rural Development Fund eligibility for LEADER groups (England)

In the search box there is a drop down arrow, from this menu choose what you would like to search for, it's easy to use your postcode.

Click the magnifying glass on the left of the box to search.

In Feature tools, click the info button, and then click on the map, this will open a pop up with the name of the LAG that you can apply to.

If it says 'No features found' unfortunately your address falls outside the LAG area.
